No mileage fees, no hidden costs. All makes and models serviced\*. Running low on any spa supplies? Let us know and we'll bring them with us on the day for you!

Please note this deep clean service is as outlined only – replacement parts and remedial work are not included. Whilst we can offer the deep clean service to all makes of hot tub, we currently do not offer *repair* work to non-Vita spa/Reef spa hot tubs. Please ensure that your hot tub is full of water prior to our arrival, we'll also need access to a 13amp supply so we can operate our equipment, and an area to drain the spa water into. Additional supplies left on site at customer's request to be charged at current web pricing.

\*subject to size and location - if you don't have a CT postcode, or your hot tub is larger than 240cm x 240cm please contact us for a competitive quote.
